Cynthia – Here are some suggested edits on the first few pages. I ran out of time and energy today, but thought it might be useful to send what I had for you to consider. Give me a call and we can discuss.

Hi, Richard.

Welcome back – I hope you had a great trip!

You may have missed it, but while you were gone, I sent out draft text for the Upper Animas Web page (attached). I am not comfortable posting it online until you have reviewed it. I had asked for comments, edits, etc. by COB this Wednesday. Do you think you might have time to review it by then? We are eager to have something online that the community can reference during all the site activities this summer.

Thanks!

Cynthia
